to pay the cost of mailing only, to the World's Dispensary Medical Association, Buffalo, N. Y., you will receive, post-paid, a copy of Dr. Pierce's "People's Common Sense Medical Adviser." It is a handsome

book of 1008 pages, with over 300 illus-trations and colored plates, and a greater

amount of exact information about the hu-

man body in health and disease than was

ever before published in a single volume.

ever before bublished in a single volume. It is a complete medical library in itself, and it has had a greater sale at \$1.50 a copy than any other medical book in the English language. Six hundred and eighty thousand copies have been sold,

and now an edition of half a million is being distributed absolutely free. The free

edition is in strong paper covers. If French cloth, embossed and beautifully stamped covers are desired, 10 cents ex-tra, 31 cents in all, should be sent to pay

Dr. Pierce's Pleasant Pellets are for the permanent cure of constipation, and all its attendant ills. Sour stomach, indigestion, dyspepsia, biliousness, flatulence, heart-burn, headache, bad breath, bad complexion, pimples, blotches and eruptive skin diseases are directly traceable to this one seemingly insignificant cause. If you have any of these symptoms, you will find prompt and permanent relief in Dr. Pierce's Pleasant Pellets. One little "Pellet" is a gentle laxative and two a mild cathartic. The little vial, no bigger round than a lead pencil, contains about forty "Pellets" and cost twenty-five cents. There is nothing "just as good," and if the druggists try to sell you something else, be very sure it is because they make a bigger profit on the "something else."
